

Kernel Holding S.A. is pleased to invite investors and analysts to visit its production assets in Ukraine and meet with management during Investor Days scheduled for **6-8 May 2019**.

Preliminary agenda is as follows:

- **6 May:** departing from Kyiv by cars in the morning; visit of farming and silo assets in Kyiv and Chernihiv region (Yahotyn silo and farming cluster Druzhba Nova); arriving in Poltava in the evening;
- **7 May:** visit of oilseed processing plant in Poltava (including refining and bottling facility); arriving in Kyiv; Q&A session with management in the company's office in Kyiv;
- **8 May:** morning flight to Odesa; car transfer to Chornomorsk; visit of Black Sea Industries oilseed processing plant, operating TransBulkTerminal grain transshipment facility and construction site of the new TransGrainTerminal grain export terminal; car transfer to Odesa; departure from Odesa airport.

Participants may choose various options:

- 1-day visit (8 May) arriving directly in Odesa and departing from Odesa;
- 2-day visit (6-7 May) arriving in Kyiv on 5 May and departing from Kyiv on 7 May;
- 2-day visit (7-8 May) arriving in Kyiv on 7 May to attend meeting with management and departing from Odesa on 8 May;
- 3-day visit (6-8 May) arriving in Kyiv on 5 May and departing from Odesa on 8 May.

If you wish to attend the Investor Days, please send us an email at [ir@kernel.ua](mailto:ir@kernel.ua) by April 16, indicating the option you prefer.
